## CALGARY EXHIBITION AND STAMPEDE SALON OF PHOTOGRAPHY

(Black and White Section)

Photography, though often cloaked in the speech and forms of science, is truly one of the fine arts. Its horizons widen constantly into the vast fields of medicine, industry, education, and the entertainment world, until now hardly a single hour passes in our daily lives untouched by some aspect of its influence.

The creative photographer, or pictorialist can be excused if he feels that the greatest contributions of Photography to human welfare are cultural and esthetic. It is his life's work; and in this the 17th Annual Exhibit of the Stampede Salon, we are again proud to present some of the finest examples of this type of photographic art from exhibitors of many countries. Their continuing support is appreciated, and we doubt if the calibre of work has ever been higher.

Our special thanks to the Judges who gave so generously of their time, Mr. William Fruet, Lethbridge; Mr. Earl Gillespie, Calgary; and Mr. Arthur Stevens, of Calgary, and to the others whose effort and co-operation have ensured the success of the Salon.

WALTER K. SCHULTZ,

Fine Arts Committee

F. C. MANNING,

President

M. E. HARTNETT,

General Manager

## CALGARY EXHIBITION AND STAMPEDE SALON OF PHOTOGRAPHY

(Color Slide Section)

The Third International Calgary Exhibition and Stampede Salon of Color Photography has been an inspiration.

To many friends in all parts of the world who have submitted color slides we extend thanks and cordial greetings. We appreciate your continued interest and sincerely regret that it has been necessary to reject so many fine slides that for one reason or another failed to "make the grade" with our judges. We hope you will try again next year.

We wish to thank the panels of judges for the outstanding job they performed, making this year's exhibition a most distinctive show. The Pictorial judges were: Mr. Roland Gissing, A.S.A., Calgary; Mrs. Mona Russell, Medicine Hat, Alberta; and Mr. R. Gordon Buchan, Calgary. The nature judging panel was composed of: Dr. A. M. Revell, Edmonton; Miss Kay Hodges, Calgary; and Mr. W. C. McCormack, Edmonton.

Gratitude is expressed for the many, many hours of hard work volunteered by the members of the Foothills Branch (Calgary) of the Color Photographic Association of Canada and of the Calgary Color Photo Club.

Copies of this catalogue have been sent to the Pictorial and the Nature Divisions of P.S.A. for recognition in the "Who's Who" for each division.
